[Wix-menu-bar](#)

A screenshot of the Wix website editor interface. The top navigation bar includes 'WIX', 'Pages: About', 'Site', 'Tools', 'Help', 'Upgrade', 'Save', 'Preview', and 'Publish'. The main content area shows a page titled 'HUNTER & THOMPSON Boutique Executive Search'. Below the title are 'Manage Menu' and 'Navigate' buttons. A horizontal menu bar contains 'Home', 'About', 'Services', and 'Testimonials'. The 'About' page is active, displaying a text block with the following content:

Since our inception, Hunter & Thompson has been totally focused on building a strategic, quality search practice.

I'm a paragraph. Click here to add your own text and edit me. It's easy. Just click "Edit Text" or double click me to add your own content and make changes to the font. Feel free to drag and drop me anywhere you like on your page. I'm a great place for you to tell a story and let your users know a little more about you.

This is a great space to write long text about your company and your services. You can use this space to go into a little more detail about your company. Talk about your team and what services you provide. Tell your visitors the story of how you came up with the idea for your business and what makes you different from your competitors.

At the bottom of the page, there are two small portrait photos of people. On the right side, a vertical toolbar is visible with various editing tools and a 'Show on All Pages' toggle.
